Other features include indoor warm-up/warm-down lanes, spectator seating, generous deck space, locker rooms, electronic score board, and a Colorado timing system.

**The competition course has been certified in accordance with 104.2.2C(4) and a copy of such certification is on file with GA Swimming and USA Swimming. Touch pads can only be used at the "Start" end of the pool.**

### Format:

The order of events is shown below and may be downloaded in Hy-Tek format from the Georgia Coastal Aquatic Team website at [www.GCATswim.com](http://www.GCATswim.com).

All events will be pre-seeded and will be contested as timed finals in a single 8-lane, 25-yard pool. Warm-up/warm-down lanes will be available. Dive-over starts may be used so coaches are requested to ensure their swimmers are familiar with this type of start.

### Eligibility:

Open to all currently registered USA Swimming athletes.

### Entry Limit:

Each swimmer may compete in up to five (5) events, one (1) from each of the five (5) blocks of events (see "Order of Events").

Entries will close upon receipt of the team that puts the total number of entered visiting swimmers over 200.

**Rules:**

The current USA Swimming Rules and Regulations will govern the conduct of the meet. Swimmers will be responsible for swimming in their assigned heats and lanes. The Meet Referee may elect to change or combine heats and/or events. Every effort will be made to notify teams in advance of such changes.

**Entry Format:**

Hy-Tek Meet Manager software will be used so please submit entries via Hy-Tek Entry File. Entries must include each swimmer's first and last name, age, seed times for each event entered, and their USA Swimming registration number. Additionally, a completed and signed 'Entry Summary and Liability Release Form' and a signed copy of the entries must be received before the entries are considered complete. Swimmers and Teams cannot participate until their entries are complete. Entries will be processed when complete, on a first-come/first-served basis.

Email entries should include an attachment representing the Hy-Tek Entry File; an attachment in Word format of those same Hy-Tek entries; and, in the body of the email, a list of all attending coaches with their and the team's contact information for confirmation of receipt and any and all additional correspondence and meet announcements. Errors in entries submitted electronically are the responsibility of the applicant.
